

# At home with Sunnybank

Our doors may be temporarily closed,  
but we are still here to support our members.

Each week we will  
send members an  
activity pack full of  
fun things to do

We will host a  
twice weekly radio  
show for members  
to enjoy

Our team will call  
and write letters to  
members regularly  
to keep in touch

We will provide  
new and exciting  
virtual experiences -  
watch this space!

If you have any questions or concerns, please let us know
